Program Tracking (Agent Required) – Program Window Captions By User

For each running application with an active window caption (e.g. title bar), this report displays the user who ran the application and what the window titles were.

Filter Applied: Web Browser Users
Filter Date Range: From 9/20/2015 9:51:20 AM to 9/21/2015 9:51:20 AM

Username	Program	Window Caption
DORIANGATEWAY\andy	IEXPLORE.EXE	Facebook – Log In or Sign Up – Windows Internet Explorer
		Licensing Request Form	RDPSoft – Windows Internet Explorer
		USA TODAY: Latest World and US News – USATODAY.com – Windows Internet Explorer
