

Performance (Agent Required) – Average Memory Use By Application

This report shows average memory consumption by application. You can filter this report by username running the application, as well as the server (s) on which the programs are running.

Filter Applied: Quick Date Filter

Filter Date Range: From 9/20/2015 7:10:16 PM to 9/20/2015 10:10:16 PM

Process	Average Memory Used (MBs)
BROKERSERVICE.EXE	193.78
RDPRECORDERCLIENT.EXE	168.88
CITRIX.CONFIGURATION.EXE	105.18
SERVERMANAGER.EXE	90.88
