# Performance (Agent Required) – Peak Memory Use By Application

This report shows peak memory consumption by application, including the time, user session, and server where the application was running.

Filter Applied: Quick Date Filter
Filter Date Range: From 9/20/2015 7:15:04 PM to 9/20/2015 10:15:04 PM

Peak Memory Use By Application

Legend:
- RDPRECORDERCLIENT.EXE
